NO GOLF NO BIG DEAL

LET'S GO BOWLING

Steve Morrissey, Steve Cline, Scott Shaffmaster, Hoy Allen, Tom Bailey and Bruce Burnett

With the weather in December and January being what it was, some members just could not take it anymore. After being shut out by snow and freezing temperatures, off to the bowling alley one Sunday afternoon. They all shot about the same scores in bowling as they would normally shoot on the course.

Posting scores this winter in the GHIN computer

Members,

We will be posting scores this winter. Starting February 1st all scores will be recorded even if you roll the ball or play lift, clean and place. If you are a white tee player you will enter scores from the green tees and a green tee player will enter from the green tees also. Thank you.

FYI-

Your March newsletter will have all the formats of each event, and the cost for that event listed. We hope that will make it easier to pick what events you would like to play in this year. We will also put all the events on the calendar, our web site is www.ngac.net. This can be downloaded into your phone or computer from that calendar page, assuming you know what you are doing. If you want to download and are unsure, give us a call in the Golf Shoppe we might be able to help.

The Staff is looking forward to a new year and the golf events scheduled for 2011. With the addition of the Ryder Cup Matches, Interclub Matches, Member-Guest events, and couples golf, we are excited to get the season started.
