News from the Course

News from the course:

The crew has been busy working on a number of projects this past month. Stump removal has begun, along with spraying of winter weeds, driving range net repair and replacement, bunker detail work, score-board reconditioning, in addition to many other items that have been addressed.

We will continue to concentrate on bunker improvements, tree trimming work, pond bank clean up, cart path repair, and general housekeeping during the month and throughout the rest of winter.

Best wishes to all from the Golf Course Crew,

Todd Parker
Course Superintendent

Members,

The Ryder Cup is just around the corner and I have pre-booked 50 of the best packages on the market for the Members at NGAC. Please take a look and let me know if you or your companies are interested in going to the Ryder Cup in 2012. As a PGA Member I have access to all golf events, plus I have the ability to set up golf while you are in Chicago through my PGA friends in the business who happen to work in the Chicago area. I have to say going to the Ryder Cup in Louisville was INCREDIBLE and I can only imagine how Chicago is going to top Louisville.

Ryder Cup is at Medinah CC in Chicago September 27th – Oct 1st, 2012 and the packages are going quick. Here is the package that I am suggesting: I have put a hold on 50 individual packages until January 20th, 2012. If interested let me know how many and I can arrange golf and whatever else you want to do in the windy city. I will be there all week to help out and work the 2012 Ryder Cup as a PGA Golf Professional...

Experience history, tradition, and memories that will last a lifetime with a gift they will never forget... A 2012 Ryder Cup Package.

Treat yourself to a one-of-a-kind experience at the Hilton Indian Lakes Resort, located on 260 rolling acres just minutes from Medinah and only 30 minutes from downtown Chicago. From the lush grounds to the soaring Frank Lloyd Wright-inspired architecture, this grand Chicago resort has been completely refreshed by its recent renovation. Encircling a dramatic six-story lobby atrium, the spacious rooms and suites feature comfortable furnishings and soothing color schemes. You'll find every modern luxury, starting with complimentary high-speed Internet and indoor / outdoor heated pool. This is a beautiful property almost within walking distance and it has a golf course on property that we can use. Golf at the resort course will run around \$120 per player, a deal in the Chicago area.
