The smooth swing Rick Hudson drained a 30 foot bomb on the last hole to beat the young Zac Radford 1 up. This was a great match with both players in red figures for the day. With a bunch of birdies made between the two men for the day, we hated to see the match end.

Golf Lessons

By

Brian Jorgenson, Director of Golf

My goal as the Director of Golf at Nashville Golf & Athletic Club is to provide the best private lesson experience in the area. My extensive teaching schedule provides each member with plenty of opportunity for learning the game. Please call the Golf Shoppe at 615-370-3346 or e-mail me at brianprongac@comcast.net if you have any questions, or would like to take advantage of these instructional opportunities.

Computerized Swing Analysis	1 hr. \$90
Member Rate	1 hr. \$60
Non-Member Rate	1 hr. \$80
Junior Rate	1 hr. \$35

Individual Lesson Series

Discount rates for any series of adult, and/or junior lessons, will be available throughout the year. A lesson series is comprised of 5 one hour lessons with the sixth lesson being provided at no charge. If you plan to take several lessons throughout the year a lesson series is perfect for you.

Private Golf Schools

Arrangements can be made to set up a private golf school exclusively for small groups, friends, or families. Three small group lessons can cover all aspects of the game from putting and chipping to hitting irons and woods. This is a great way to learn the game with your friends and family! Ask Brian Jorgenson for more details.

Playing Lessons

Playing lessons can be scheduled during non-peak golf hours. These lessons will be two hours in duration and standard lesson rates will apply. Playing lessons are ideal for developing your course management skills and give me the chance to analyze your entire game and determine your most important areas for improvement.
